LINEAPHOENIX®

GENERAL INFORMATION

“LINEAPHOENIX® / LPHX EU – QUARTZ”

VERSION: 27 November 2025

VALID THROUGH MARCH 31, 2026

MATERIAL: **DIGITAL CREATION ON QUARTZ;** SUPERIOR QUALITY RESIN RESULTING IN A TIGHTER, UNIFORM SURFACE, NATURAL FEELING COLORS, DEPTH AND A SUPERB FINISH – **NOT FOR EXTERIOR USE**

OUR ADVANTAGES:

- FULL BODY / THROUGH BODY PRODUCTION
- BOOKMATCH
- SUPERIOR RAW MATERIALS USED FOR QUARTZ SLAB PRODUCTION
- ITALIAN PRINTING PLATFORM
- PROPRIETARY INK, DEVELOPED IN ITALY, USED FOR DIGITAL PRINTING ON QUARTZ
- PROPRIETARY ADDED SURFACE COATING RESULTING ON UV & SCRATCH PROTECTION, SUPERB LUSTER ON DIGITALLY PRODUCED SLABS
- LARGE FORMAT PRODUCTION

QUARTZ CONTENT: 93% ± 3.2% (DEPENDING ON THE COLOR COMPOSITION)

FOOD SAFETY: ALL PRODUCTS COMPLY WITH NSF / ANSI STANDARD 51 FOR “**ALL TYPES OF FOOD**” - MAX. 200° C - 392° F

STORAGE: **INDOORS ONLY** - INDUSTRY DICTATES THAT STORING QUARTZ IN THE OPEN WILL ADVERSELY AFFECT THE COLOR AND FINISH

ORIGIN: U.S.T.O. REGISTERED PRIVATE LABEL – CUSTOM EUROPEAN PRODUCTION

SIZES: 138” x 79” – 75.71 SQF PER SLAB

FINISHES: POLISHED – HONED – SILK

MIXING: MAXIMUM 2 COLORS PER CONTAINER – SAME THICKNESS

BOOK MATCHING: EVEN BUNDLES PER COLOR – EACH BUNDLE MARKED

VERY IMPORTANT NOTE

FINISHED SLABS’ COLOR INTENSITY MAY VARY DUE TO PHOTOGRAPHIC LIGHTING SOURCES OR YOUR MONITOR ‘S SETTINGS

DIGITAL NATURAL STONE SLAB PICTURES COURTESY OF T&L GROUP DIGITAL PRINTING – ITALY

WARRANTY & QUARTZ SURFACE CARE

Importers' Version

WARRANTY

Unlike with natural stones, it is very rare to encounter defects on Quartz surfaces. However, in the presence of imperfection, **WARRANTY ISSUED TO THE IMPORTER ONLY** for unsold, intact, unprocessed material, and covers manufacturing defects only (i.e. Faults on the finish, cracks). As the manufacturing process involves human controlled robots, and manual labor, inconsistencies in "Through Body Veining", variations in background tone in different lots are not a defect, thus not covered under any circumstances.

Material should immediately be inspected upon receipt, and in case of a defect, importer **MUST INFORM THE SELLER WITHIN 7 BUSINESS DAYS FROM RECEIPT OF MATERIAL**. Any claims made after this period will not be considered.

As is customary in the industry, the size of the defective area will be prorated, and the sum obtained will be credited to the importer.

Seller's warranty does not cover damage caused by transportation beyond FOB point, and inadequate storage (outdoors) after receipt of material.

THIS WARRANTY DOES NOT EXTEND TO IMPORTER'S CUSTOMERS, OTHER THIRD PARTIES, OR END USERS.

QUARTZ SURFACE CARE

Maintaining your new quartz countertop is easy. In most cases, soap and water or a mild detergent is all that is required to maintain its luster. If necessary, apply common, non-abrasive, household cleaners on a cloth or sponge and wipe the surface, rinsing thoroughly after cleaning.

SPILLS

Sometimes spills occur and dry on the worktop. Materials that harden as they dry, such as gum, grease, nail polish or paint should be removed by gently scraping away the residue material with a blunt plastic scraper. *Then the quartz surface should be cleaned with a household vinegar / water solution (always follow the manufacturer's dilution instructions) or with a non-abrasive cleaning pad (such as a white 3M Scotch-Brite®) together with a non-bleach, non-abrasive liquid cleaner and rinse thoroughly with clean water.* Surface should be dried with a clean white paper towel or white cloth.

"SUGGERIMUS SED NON IMPONIMUS"

DIGITAL CREATIONS / LPHX EU - QUARTZ BY LINEAPHOENIX® - WWW.PHOENIXPROINC.COM / IT +39 392.061.6350 USA +1 781.789.8943

RESISTANCE TO STAINS AND CHEMICALS

Quartz countertops are non-porous, so spills and stains are not absorbed into the surface, making it stain-resistant, but **NOT STAIN PROOF**. *Permanent markers / Inks and some chemicals, solvents (e.g. acetone, paint thinner, nail polish remover) or dyes may, however, cause permanent discoloration to the surface and should be avoided.* Should these agents come into contact with the surface, wipe up immediately and rinse with plenty of water.

- ❑ **DO NOT** expose, in use or otherwise, quartz surfaces to *abrasive, strong alkaline, acetone, acid, free radicals, oxidizers or the like (whether high, neutral or low pH) cleaners.* Avoid exposing your tops to harsh chemicals!
- ❑ **DO NOT** use or expose quartz surfaces to such products, including, but not limited to bleach, oven cleaners, **Comet®**, **Soft Scrub®**, **SOS®**, **products with pumice, batteries, paint removers, acetone, nail polish remover, furniture strippers, oil soaps, tarnish, or silver cleaners, or the like.** **DO NOT** use abrasive or harsh scrub pads.
- ❑ **DO NOT** apply any sealers, penetrants or topical treatments to quartz surfaces under any circumstances. Such products will wear off and cause the gloss to appear dull or inconsistent.

HEAT RESISTANCE

Quartz countertops **ARE NOT** heat proof, chemical proof or fracture proof in any form. To maintain the beauty of your quartz countertop, **DO NOT** place hot skillets or roasting pans directly onto the surface. *Also be aware of the potential damage to the surface by heat generating appliances such as electric grills, crock pots, or toasters.* Industry recommends the use of trivets and hot pads to prevent heating the top. Certain exposure to heat may cause cracks due to thermal shock.

CUTS OR SCRATCHES

Avoid using knives directly on the quartz surface. Quartz countertops are scratch resistant, but they are not scratch-proof and can be damaged when forcefully hit with sharp objects. Use a cutting board placed on top of the countertop to avoid damage. *Avoid sliding heavy pots and pans or other heavy items across the countertop.*

With a small amount of care, your quartz surface will look as great as the day you bought it for years to come!

ATTENTION "MUST READ" DOCUMENT

THE FOLLOWING IS PROVIDED FOR INFORMATIVE PURPOSES ONLY
INFORMATION HEREIN CONTAINED IS BASED ON GENERAL INDUSTRY GUIDELINES

**PRODUCER, SELLER ASSUME NO RESPONSIBILITY
USE AT OWN RISK**

Version: 27 November, 2025

01 COMPANY INFORMATION

BST SRL – VIA VERDI 2, LALLIO (BG) 24040 – ITALY
ATTN: STEFANO CAVALLI
MOBILE / WHATSAPP: +39 392.061.6350 EMAIL: stefano@bstitaly.com

02 PRODUCT INFORMATION

2.1 Product Description

Quartz slabs, prefabricated countertops, and cut-to-size countertops – as applicable.

2.2 Product Use

Surfacing material for interior application only. **DO NOT USE OUTDOORS.**

2.3 Product Composition

Component Composition =93% ($\pm 3.2\%$ - Depending on the color composition) May contain one or more of crushed silica quartz, Titanium Oxide - TiO_2 , glass, mirror, granite, and other natural stone.

Polyester resin and color pigments for the balance.

03 POTENTIAL SIDE EFFECTS

INDUSTRY HAS DETERMINED THAT QUARTZ SURFACES, IN FINISHED FORM, DO NOT PRESENT ANY HEALTH HAZARD TO END USERS.

Dust and powder generated from fabrication and installation may cause irritation to skin, eyes, nose, and airways.

Adequate ventilation systems should exist in the fabrication work areas to minimize constant inhalation of flying dust and powder.

Fabricators and installers should use vacuum cleaning equipment, dust pick / up systems, and protection masks.

Massive inhalation of **Crystalline Silica** may cause pulmonary diseases such as bronchitis, emphysema, and other pulmonary diseases.

IMPORTANT PRACTICE: INDUSTRY RECOMMENDS THAT THE PRODUCT TO BE MADE, FABRICATED, AND INSTALLED USING WET PRODUCTION METHODS.

"SUGGERIMUS SED NON IMPONIMUS"

DIGITAL CREATIONS / LPHX EU - QUARTZ BY LINEAPHOENIX® – WWW.PHOENIXPROINC.COM / IT +39 392.061.6350 USA +1 781.789.8943

04 FIRST AID MEASURES

In the event of any unwanted contact with powder and dust, please follow these guidelines:

- Skin: Wash exposed skin with soap and water. Remove exposed clothing.
- Eyes: Wash hands thoroughly first. Flush eyes with plenty of water.
- Dizziness: Take the affected person to fresh air or a well-ventilated area.
- Ingestion: Seek medical attention.

05 FIRE FIGHTING MEASURES

The product is hardly flammable.

- Extinguishing Method: Use standard extinguishers.
- Firemen Protection: Standard equipment.
- Explosion: No explosion danger.

06 LEAKS AND SPILL RESPONSE

Not applicable.

07 HANDLING AND STORAGE

ATTENTION: QUARTZ SLABS ARE VERY HEAVY! Handle the product with care.

Secure properly when placing slabs on rack or A-frame.

Observe all safety handling measures and disposal regulations for the stone industry.

7.1 Handling Measures

Use eye protection and dust masks when cutting and polishing material.

Use steel-toed footwear and wear industrial gloves when handling material.

Wash hands before eating and drinking.

Wash thoroughly after work using soap and water.

Good hygiene practices should be followed when handling this material.

7.2 Storage Conditions

ATTENTION: Not to place more than 20 slabs on rack or A-frame. • Not to place more than 20 prefabricated countertops on rack or A-frame. • **RECOMMENDED: NO OUTDOOR STORAGE. NO EXPOSURE TO SUN AND RAIN.**

08 PREVENTIVE MEASURES / PERSONAL PROTECTION

8.1 Cutting, Sanding, and Polishing

ATTENTION: Use safety goggles, face and neck protection, and dust masks. • Use dust extraction equipment. • Use dust vacuum cleaning equipment.

8.2 Slabs and Countertops Handling

Industry recommends doing it in an adequately marked area away from frequent foot traffic. **RECOMMENDED:** *AUTOMATION OF THE HANDLING OF HEAVY OR COMPLEX PIECES.*

09 PHYSICAL & CHEMICAL PROPERTIES

Physical Appearance is VARIOUS & MULTI-COLORED ENGINEERED QUARTZ STONE.

Odorless

pH not applicable

Moisture Absorption: 0.06% or less

Density $\frac{3}{4}$ " inch thickness = 151.95 lb. / ft³

10 TECHNICAL PROPERTIES

Durability: Mohs Hardness Scale Quartz = 7 Diamond = 10 (highest)

Impact Resistance: No fracture

High Temperature Resistance: No effect

Cigarette Test: Pass

Strength Flexural Strength: $\geq 4,382$ psi (308.1 kg / cm)

Compressive Strength: $\geq 30,400$ psi (2,137.8 kg / cm)

Stain Resistance: No effect

Wear and Cleanability: Pass

Resistance to Fungi and Bacteria: No traces of growth

Resistance to Household Chemicals: Pass

Resistance to Chemical Substances: Not affected

Safety and Health Surface Burning: Class A rated Volatile

Organic Compounds (VOCs) 7.01 mg / kg

Benzene Toluene Ethylbenzene Xylene (BTEX) Benzene and Xylene= Not detected

Toluene = 5.45 mg / kg

Ethylbenzene = 1.20 mg / kg

Styrene Not detected

11 STABILITY AND REACTIVITY

Chemical Stability: Stable

Conditions to Avoid: Outdoor, sun, and rain

Materials / Chemical to Avoid: Hydrofluoric acid

11.1 Hazardous decomposition products

Upon decomposition, hydrocarbons, carbon dioxide, carbon monoxide fumes, and water may be released. Hazardous Polymerization Will not occur.

12 TOXICOLOGICAL INFORMATION

ATTENTION: The powder generated in the manufacturing process contains Silica (SiO_2). Prolonged and massive inhalation of Crystalline Silica may cause pulmonary fibrosis, pneumoconiosis and silicosis, as well as a worsening of other pulmonary diseases (bronchitis, emphysema, etc.).

The main symptom of **SILICOSIS** is the loss of pulmonary capacity. Per American Lung Association, people with silicosis have a greater risk of getting lung cancer, chronic bronchitis, tuberculosis, autoimmune disorders and kidney disease.

Per A.St.A, Silicosis is a preventable disease, and engineered stone, like other silica-containing products, can be fabricated safely when fabricators adhere to proven, effective safety regulations and requirements when cutting or installing these products.

ATTENTION: As of September 23, 2017, **ALL FABRICATORS IN THE INDUSTRY ARE REQUIRED TO COMPLY WITH OSHA'S "RESPIRABLE CRYSTALLINE SILICA" RULE**

RECOMMENDED: [CLICK FOR OSHA "RESPIRABLE CRYSTALLINE SILICA" RULE](#)

13 ENVIRONMENTAL INFORMATION

Ecotoxicity: No detrimental environmental impact is known.

Mobility: Not volatile.

In liquids: Insoluble in aquatic environment.

No biodegradability data is available.

14 WASTE DISPOSAL CONSIDERATIONS

Any waste shall be disposed of in an appropriate and approved waste disposal facility.

Discard and dispose of in accordance with FEDERAL, STATE, AND LOCAL LAWS AND REGULATIONS. **Quartz Surfaces are not classified as hazardous waste.**
